**One rider, one prize except team awards.**

Global warming, droughts.....Looking back through previous results sheets I've put out, I'm loosing count of the number of times I have "apologised" for the rain we've been subjected to. I guess we were fortunate that the event even went ahead given conditions experienced elsewhere in the country.

Congratulations to all the prize winners. Impressive rides given the conditions and a good scrap for the team prize.

Thanks go to:

- Members and friends of the NOVA CC who helped on the day
- Brian and Kath Taylor and Mick Carr for timekeeping

Last but by no means last, thanks to Carol and Martin of Eddie McGrath Cycles for their continuing sponsorship of this event and it's prize list.

Have a better remainder to the season, keep dry, fast and safe.
